

February 17, 2022

Dear Mountview Parents and Guardians:

The Hanover Township Elementary Schools are once again offering our students and families our annual “One School One Book” experience to encourage a love of literacy. We are asking that you help support our efforts by participating in reading this book with your child at home. It’s an opportunity to bond and share in the enjoyment of reading with your child by making the event memorable not only here at school but also within your own home. Everyone in our MTV community will be participating in this activity.

One School One Book is a unique program in that children at all grade levels will be reading and listening to the same book. Reading professionals recommend reading out loud to children with material that helps them develop language & reading skills. We have chosen a title that can be followed, understood and enjoyed by younger students, yet at the same time will still captivate and interest our older readers. You may also visit MTV’s OneSchoolOneBook web page to enjoy listening with your child to select chapters of The Lemonade War by Jacqueline Davies being read aloud by our very own Mountview Road School Staff members! Please visit our *Lemonade War* web page for daily discussion and comprehension questions, J.Davies book order form and more:

“Entertaining... Good reading for young capitalists.” —USA Today

Your oldest child at MTV received his/her family copy of The Lemonade War today. We are excited to announce that the author of The Lemonade War series will be providing a virtual presentation to all our students which will focus on writing skills. In school, your child will hear the daily prompts to encourage that evening’s reading and active listening. A book order form will also be sent home; please return all order forms and checks to your child’s homeroom teacher by March 18. Additional literacy experiences include the MTV-PTA Book Fair (March 17-18) and Author Day featuring Janet S. Wong who will visit us on May 20.

Wishing you all a month of happy reading!

Sincerely,

V. Geannakakes

Media Skills Teacher & Librarian
