

Hanover Township Public Schools

61 Highland Avenue
Whippany, New Jersey 07981

July 22, 2020

Dear Parents, Guardians, and Staff,

The Hanover Township Board of Education is fully committed to the repopulation of our school system on a full-time schedule as soon as it is possible to do so.

We recognize that students and families are dealing with significant hardships during this pandemic and are deeply sympathetic to the unique ordeals that everyone is enduring during these unprecedented times.

There are a myriad of issues involved in reopening. The most important of these is to safeguard the health, welfare and safety of our children, teachers, and staff, but there are many other considerations that need to be addressed in order to prepare for the upcoming school year.

Our professionals and volunteers are putting in significant time to address these matters, and we are very grateful for their efforts. We will continue to work and adjust to the difficult challenges that we face as a District and community until we can achieve our goal of re-opening the schools on a full-time basis.

We ask for your patience, adaptability and support during these trying times as we wade through an evolving public health crisis, ever-changing executive orders and guidelines, and complex infrastructure and budgetary challenges. By working together as a “Community That Inspires Excellence,” we can and will overcome the present difficulties and look forward to a “return to normalcy” as soon as possible!

Thank you.

Carol Tognetti
